Bohemia, arte y diseño.

En nuestra fábrica ubicada en pleno corazón de Bohemia (Rep. Checa), unimos en el proceso de fabricación la tradición más antigua con la tecnología más avanzada e innovadora.

Nuestra condición de fabricantes de componentes de cristal para la iluminación tales como, brazos, cayadas, tulipas, cuencos y enfilajes, nos permite suministrar y ayudar a los mejores fabricantes de lámparas del mundo a crear sus colecciones cada año.

Por otro lado, aprovechando nuestro propio equipo de diseñadores y nuestras instalaciones en República Checa y en España, cada seis meses lanzamos al mercado nuestros propios modelos de lámparas que son reconocidos en todo el mundo por su calidad y diseño único.

Descubra nuestros mejores materiales: cristal tallado, en brillo, en color, soplado,... los cuales son el resultado de una combinación perfecta de nuestra maestría y tradición en el tratamiento del cristal.

Bohême, l'art et de design.

Dans notre usine située dans le coeur de la Bohême en République Tchèque, nous combinons dans notre processus de fabrication le plus ancien savoir faire traditionnel avec les techniques les plus avancées et novatrices.

Notre statut de fabricant de composants et autres accessoires en cristal orientés à l'industrie du luminaire, comme les bras, coupelles ou tulipes etc..., nous confère la possibilité de sous-traiter auprès des plus importants fabricants de lustres du monde entier et de les aider à créer de nouvelles collections chaque année.

Grâce au travail créatif de nos propres équipes de designers et nos propres installations en République Tchèque et en Espagne, nous lançons sur le marché tous les six mois de nouveaux modèles reconnus universellement pour leur qualité de finition et leur design exclusif.

Nous vous invitons à découvrir en tant que spécialiste, la qualité des matériaux utilisés: cristal taillé à la main ou cristal soufflé en transparent ou en couleur, résultat de la parfaite combinaison entre notre maîtrise et notre expérience dans le traitement du cristal.

Bohemia, art and design.

At our own factory located in the heart of the Bohemia region (Czech Republic), we combine in our production process the oldest tradition's together with the most advanced and innovative technology.

As manufacturers of crystal components for the lighting industry, such as arms, scrolls, bobèche's, columns and bowls, we are able to supply and to help the best manufacturers worldwide to create their new collections every year.

On the other hand, thanks to our own team of designers and our facilities in the Czech Republic and Spain, every six months we launch our own models of chandeliers which are recognized around the world because of their quality and unique design.

Discover our best quality hand cut crystal, in clear, color or blown crystal, These are the result of a perfect combination between our mastery and tradition in the crystal process.
